THE PURPOSE

SHIELD616 was formed with two goals in mind:

1. To equip local first responders with better gear and better protection against rifle threats. We've curated an innovative armor package designed by street cops for street cops.
2. To help break down the barrier that exists between local law enforcement and citizens.

OUR PROJECT

SHIELD616 is working with Denver PD to help keep their officers safer. We are raising money to provide ballistic vests, all-day rifle plates and helmets to officers in high risk situations. SHIELD616 has been donating to Denver PD for the past 4 years!
