## PROTECTING OUR PROTECTORS

### 2026 Partnership Opportunities

Partnering with SHIELD616 is an exciting opportunity to support our effort to provide all day rifle protection to first responders in need, while aligning your corporate brand with our inspiring proven mission.

**We Are in Crisis:** First responders across America face escalating rifle-related threats without the protection of rifle-rated armor due to budget constraints.

**Our Solution:** SHIELD616 exists to make Kingdom impacts by protecting those who serve and protect. We bridge the gap between danger and safety by equipping first responders with high-quality, "all-day" ballistic armor they otherwise could not afford.

**Beyond the Armor:** Our mission transcends equipment. We engage communities to rally behind their local heroes, financially, emotionally, and spiritually; fostering deep relationships between citizens and their protectors. Being a first responder is a challenging job and we strive to make communities stronger through personal connections.

**Your support:** The support of our donors is crucial to maintaining and expanding our services. On average we have about 60 agencies each year who are seeking help from SHIELD616. Every contribution matters and brings us closer to protecting those who need us the most.

Your donation is priceless and potentially life saving.

**Together, we can bring positive change and inspire others to do the same. Scan to learn more about our mission!**

# ANNUAL PARTNERSHIP OPPORTUNITIES

For over a decade, we've stood behind those who run toward danger when others run away. Nearly 9,000 first responders across 32 states and over 400 agencies now serve their communities with the protection they deserve because of the generosity of people like you. Businesses like yours don't just fund armor— by investing in their safety, you help save lives, strengthen communities, and honor the courage of those who never hesitate to serve. Join us in giving our heroes the protection they need and make every mission a safer one, together.

Let's talk about how our mission aligns with your company values.
